Description:

This popular national and international best seller and the #1 choice for Praxis-SLP is a must for your library! The fourth edition features new, updated test questions based on the very latest edition of the Praxis examination. It is a comprehensive review, study

guide, textbook and reference rolled into one.

Only the most current, important, and relevant information is extracted from the entire field of speech-language pathology. Each chapter includes practice questions in multiple-choice formats, along with answers. Quick response codes (QR codes) embedded throughout the chapters can be scanned to lead you immediately to relevant websites with extended information.
