Description:

Review "The Midnight Breed series is one of the consistently best paranormal series out there . . . Adrian writes compelling individual stories (with wonderful happily ever afters) within a larger story arc that is unfolding with a refreshing lack of predictability. Deeper Than Midnight rocks!" --

Romance Novel News (a recommended read)

"Lara Adrian keeps the suspense of the series going strong and keeps fans wanting more. She has continued to bring excellence to the world that she has created with even more fantastic characters and heart-pounding intrigue. I am delighted to recommend this book to others who love this genre."
