Description:

About the Author Napoleon Hill (1883-1970) was born in a one-room cabin on the Pound River in Wise County, Virginia. He began his writing career at age 13 as a "mountain reporter" for small town newspapers and went on to become America's most beloved motivational author. His classic work, *Think and Grow Rich*, continues to inspire millions to believe and achieve and is a cornerstone of the modern self-actualization movement. Before passing, Hill established the Foundation as a nonprofit educational institution whose mission is to perpetuate his philosophy of leadership, self-motivation, and individual achievement.
