Description:

Professional Genealogy is a manual by professionals for everyone serious about genealogy. For librarians who struggle to help a whole new class of patrons, it provides a bridge to the methods, sources, and minutiae of history, up-close and personal. For established genealogical professionals,

it offers benchmarks by which they can advance their skills and place their businesses on sounder footing. For all those who dream of turning a fascinating hobby into a successful career, Professional Genealogy details the preparation and the processes
