Description:

For courses in Writing.

Grounded in current theory and research, yet practical and teachable.
Revel™ *The Allyn & Bacon Guide to Writing* takes a distinctive pedagogical approach that integrates composition research with rhetorical theory and insights from

writing across the curriculum. It treats writing and reading both as rhetorical acts and as processes of problem posing, inquiry, critical thinking, analysis, and argument. Its aim is to evoke the kind of deep learning that allows students to transfer compositional and rhetorical skills across disciplines and professional fields. Teachers and students value its clear and coherent explanations, engaging classroom activities, and flexible sequence of aims-based writing assignments that help writers produce effective, idea-rich essays in academic and civic genres. Numerous examples of student and professional writing accompany this thorough guide to the concepts and skills needed for writing, researching, and editing in college and beyond.

Revel is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, Revel replaces the textbook and gives students everything they need for the course.
