Description:

Content instructors trust—in a low-priced, very brief text

We the People is the best text for showing students that politics is relevant to their lives and that political participation matters—especially in the digital age. Based on the full-length text, this low-priced, very brief text offers authoritative coverage of the core topics in American politics. New coauthor Caroline Tolbert brings expertise in political behavior to deep revisions of key chapters, and new Digital Citizens boxes highlight the role of new media in politics.
